

# Support for Carers in Somerset

## Somerset Carers

**somerset  
carers**  
part of CCS

This service provides Carers Agents who are Somerset based individuals with a wide knowledge base of local services and information that are invaluable to carers. They are on hand to offer personal guidance and support.

<https://somersetcarers.org/> Phone: 0800 3168600 Text "Carer" to 78070 Live chat also available

## Somerset Community Connect

This service offers a website that has lots of information and advice and a directory of providers, local groups and activities and information drop-ins for adult residents in Somerset to find information, advice and services to manage their own care and wellbeing.
